

BUSINESS ADMINISTRATION, ADVANCED AND CONTINUOUS STUDIES

Students in this Business Administration option of the “3+1” program graduate with an associate degree from OCC in Business Administration (choosing designated courses) and then matriculate into the Advanced and Continuous Studies program - Business Administration - BA Business Administration Option (AS.ACS.SBA), allowing for financial aid to continue and for the full 90 credits to transfer to the aligned four-year university. The 300-level courses included in this option have been developed by OCC in conjunction with our four-year partner, Stockton University. Upon successful completion, no course shall be repeated.

Junior
