

# SUPPLY CHAIN MANAGEMENT, AN OPTION TO THE ASSOCIATE IN SCIENCE IN BUSINESS ADMINISTRATION

## Program Description

This option offers courses that focus on the activities involved in the management, procurement, and efficient movement of goods and its economic impact. It provides a broad program of study with introductory courses offering a pathway for students who wish to transfer and earn a baccalaureate degree in Supply Chain Management.

## Transfer Information

Students pursuing the Business Administration degree with a Supply Chain Management Option can transfer into majors such as Business Administration, Supply Chain Management, or Purchasing. Many colleges offer opportunities for transfer both in and out of state. Admission is competitive and may require specific coursework to be completed prior to applying. Students are encouraged to work closely with OCC business faculty and Advising Transfer Services. Students planning to transfer to a four-year institution in NJ can explore the "Transfer Programs" feature on NJ Transfer. [www.njtransfer.org](http://www.njtransfer.org) (<http://www.njtransfer.org/>)

## Career Information

The Associate of Science Degrees are designed to provide students with the coursework needed to transfer to a four-year institution and pursue a bachelor's degree. The curriculum provides students the knowledge and skills needed to pursue various career pathways, including a supply chain manager who develops systems to move products from supplier to consumer, while providing a credential beyond the high school degree. Students are strongly encouraged to consult with OCC business faculty and Career Services as they begin to explore career options. Students can also utilize Career Coach, a resource provided by OCC, to explore degree programs and corresponding careers <https://ocean.emsicc.com/>

**Students are encouraged to keep track of degree requirements by using the "My Progress" screen on Student Planning. Student Planning can be accessed via logging into Ocean Connect.**

First Semester		Credit Hours
ENGL 151	English I	3
MATH 156	Introduction to Statistics (or higher)	3
ECON 151	Macroeconomic Principles	3
CSIT 123	Integrated Office Software	3
