

GENERAL STUDIES, ASSOCIATE IN SCIENCE - SCIENCE CONCENTRATION

Program Description

The Associate in Science (A.S.) degree is designed for students who wish to create an individualized program in a specific academic area. Students may explore career fields while selecting courses that will facilitate their goal of transferring to a four-year college/university or beginning a career. Students must complete the following:

- All students must complete STSC 150, Student Success Seminar, during their first year of enrollment.
- A minimum of 30 credits from the list of Approved General Education Courses.
- At least 18 credits from the academic area of Science to satisfy the Department Concentration.
- Additional elective credits to meet the requirements for the degree (minimum of 60 credits).

Transfer Information

Students pursuing the General Studies Science degree can build a comprehensive concentration in the area of Science in order to transfer into a wide range of programs, such as Biology (Pre-Med), Chemistry, Exercise Science (Pre-PT), Environmental Science, and Animal Science (Pre-Vet). Students are encouraged to work closely with OCC faculty and Advising Transfer Services. Students planning to transfer to a four-year institution in NJ can explore the "Transfer Programs" feature on NJ Transfer www.njtransfer.org (<http://www.njtransfer.org>).

Career Information

The Associate of Arts and the Associate of Science Degrees are designed to provide students with the coursework needed to transfer to a four-year institution and pursue a bachelor's degree. The curriculum provides students the knowledge and skills needed to pursue various career pathways, while providing a credential beyond the high school degree. Students are strongly encouraged to consult with OCC faculty and Career Services as they begin to explore career options. OCC students can also utilize Focus2 Career, a resource provided by OCC, to explore degree programs and corresponding careers. To get started, log in through Ocean Connect (<https://connect.ocean.edu/Connect/Default.aspx>).

Students are encouraged to keep track of degree requirements by using the "My Progress" screen on Student Planning. Student Planning can be accessed via logging into Ocean Connect.
