

# GRAPHICS, DESIGN, MEDIA, & COMMUNICATIONS

---

Programs in the areas of Graphics, Design, Media, & Communications incorporate a broad spectrum of programs in media, design, photography, journalism, and broadcast. Students have an array of options to choose from that will include instruction in both theory and technical skills. With both certificates and associate degrees offered, students can choose between completing a certification or completing an associate's degree and transferring to a bachelor's degree program at a four-year university.
