

STUDENT SUCCESS (STSC)

STSC 150 Student Success Seminar 2 cr.

This comprehensive course is designed to build a solid foundation for a successful college experience. This seminar based course will help students develop the emotional and intellectual skills necessary to work toward graduation and their chosen career. In addition to learning to develop a self-motivated academic passion, students can expect to develop their critical thinking and academic skills. The course will also enable students to connect to the campus community through an analytical and information literacy component and service learning experience. Code 1 course fee.

STSC 151 Student Success Seminar for Veteran/Military-Affiliated Students 2 cr.

This comprehensive course is designed to build a solid foundation for a successful college experience. This seminar-based course will help veteran/military-affiliated students develop the emotional and intellectual skills necessary to work toward graduation and their chosen career path, while assisting in the transitioning process for veterans and military-affiliated students. In addition to learning to develop a self-motivated academic passion, students can expect to develop their critical thinking and academic skill and understand how skills gained in the military can be transferred to the academic experience. The course will also enable students to connect to the campus community through an analytical and information literacy component and service-learning experience. This course is designed for veteran/military-affiliated student. Code 1 course fee.
