

THE HUB

The HUB, Ocean County College's one stop shop, provides students with express enrollment services. Students may apply to the college, register, drop or add classes, make payments, and get financial aid information in the Student Enrollment Building, #9. The HUB allows students to complete their enrollment processes in one location, simply and easily. In addition to physical services, the HUB also features 24/7 virtual assistance through the college's website, go.ocean.edu/hub (<http://go.ocean.edu/hub/>), and Ocean's AI chatbot, Reggie, as well as calling 732-255-0482 during regular business hours.
