

# REGISTERING FOR COURSES

---

The registration dates and course schedules for each term are available at [www.ocean \(http://www.ocean.edu/\).edu](http://www.ocean.edu/), from the HUB, or from the Registration and Records Office. Students are encouraged to register online. For students unable to register online, registration forms are available from the HUB and the Registration and Records Office. All degree-seeking students are encouraged to meet with their advisor prior to registration each semester. New degree-seeking students can contact the Advising Office or the HUB for assistance with advising, enrollment, and registration for their first semester. Non-degree and Visiting students can contact the HUB for enrollment and registration assistance.
