

# STUDENT LIFE

---

The Student Life Office is the center of student activity on campus and will help you make the most of your college experience. Our mission is to offer a diversified program of student activities developed by students in consultation with faculty and administration. The Student Life Office offers over 60 active clubs and organizations for students to participate in. Getting involved outside the classroom helps students to develop communication, management, and leadership skills. We offer a wide variety of student activities to suit the diverse needs, interest, and backgrounds of our student population.
